## MSDW Global Equity Fund

as of December 31, 2004

### Investment Philosophy

To provide an attractive long-term rate of return as measured in US dollars through investment primarily in equity securities of companies listed on the world's Stock Exchanges. Investment decisions are based on a value discipline. The focus is on a company's financial structure, management, business franchise, products and strategic value of assets. The benchmark for performance is the MS World Index.
