## Franklin Mutual Beacon Fund

As of March 31st, 2008

### Investment Philosophy

Capital appreciation through purchasing equity and debt securities at or below their intrinsic value with a secondary objective of achieving a reasonable and growing level of income. The fund will pursue these objectives primarily through investments in equity securities, preference shares, debt securities, and convertible stock, generally with at least 70% invested in securities of U.S. issuers. The base currency is U.S. dollars. The benchmark for performance is the S&P Barra Value Index.
