

BF&M GOLDEN ACCUMULATOR –SEG FUNDS

Templeton Global Fund

As of December 31, 2009

Investment Philosophy

The Fund's investment objective is capital appreciation, which it seeks to achieve through a policy of investing in equity and debt obligations of companies and governments of any nation. The Fund will invest primarily in common stocks. However, since the investment objective is more likely to be achieved through an investment policy that is flexible and adaptable, the Fund may seek investment opportunities in other types of securities, which can U.S. dollar or non U.S. dollar denominated.
