

# BF&M McLean Budden Funds

## Diversified Fund as of March 31, 2007

### Investment Philosophy

The Diversified Fund is a “fund of funds” that purchases units of the four underlying SMA funds, specifically the Money Market, Global Bond, International Equities, and US Equities Funds. McLean Budden selects the mix of funds in order to provide the best allocation by region, by size of company, and by industry,

Past performance is no guarantee of future performance. The price of the shares of each Fund and the income received from each Fund may go down as well as up, and investors may not get back the full amount that they invested. Investment in any of the Funds involves risks, which are described in the Funds' prospectus. Currency fluctuations will affect the value of overseas investments. This Fund may be offered or sold to citizens or residents of the United States of America.
