Insurance matters for travel

BF&M's travel coverage provides a broad range of protection against most of the problems that can happen while you travel.

Personal Accident Insurance

For unfortunate accidents sustained during your trip, the policy covers the following:

- Accidental Death up to \$250,000
- Loss of Limbs or Sight up to \$250,000
- Permanent Total Disablement up to \$250,000
- Temporary Total Disablement – 0.5% of the amount of Personal Accident per week to a maximum of 104 weeks

Medical & emergency travel expenses

The policy covers emergency travel expenses incurred by the Insured Person returning to Bermuda or by friends or relatives who must travel to the ill or injured Insured Person (subject to the Policy Limit under the Medical Expenses Section).

Covers expenses arising from death, injury or illness to a Maximum Limit of \$5,000.

Do you have a child studying abroad?

You can request coverage under your travel policy to cover students for 365 days a year and for unlimited trips. And it's not only their travel that is insured – BF&M's Student Personal Property and Travel Insurance covers:

- Replacement cost of personal property, including dorm and apartment furniture, and electronics*
- Reimbursement of travel or accommodation expenses if a trip is cancelled or curtailed*
- Compensation if involved in personal accident
- Compensation for medical and emergency travel expenses for student and/or close relatives.

Cancellation & curtailment expenses

Many travel expenses are non-refundable so the unexpected cancellation or curtailment of your journey can be costly. Cancellation reasons are limited. Protection under this section begins as soon as the policy is issued.

Baggage & personal effects

Baggage and personal effects are insured against loss or damage. If you lose your travel documents, such as tickets, passports or visas, we will pay the cost of replacement. No single item to exceed \$1,000 unless specified. Money insured up to \$150.

If your baggage is delayed by more than 12 hours, we will pay the cost of emergency purchases (subject to the Policy Limit under the Baggage & Personal Effects Section).

Wide coverage, few exclusions

The principal exclusions are claims resulting from: medical conditions existing before the policy starts, participation in hazardous sports such as snow skiing or scuba diving unless suitable coverage is arranged when the policy is issued, adverse weather conditions, death, injury, illness or cancellation protection for persons over 75 years of age (for existing customers, this exclusion may be waived), personal accident protection for persons under 5 years of age, loss of property not reported to the police, and breakage of unspecified fragile items such as china, glass, laptops and other electronic equipment unless due to fire or vehicle accident.
